4. [redacted] Called on Senator Stephen Young (D., Ohio) 25X1  
in response to his request and gave him a general briefing on the background and current situation regarding our role in Laos. See Memo for Record.

5. [redacted] In the absence of Chairman Rivers, of the 25X1  
House Armed Services Committee, I briefed Messrs. Blandford and Slatinshek, of the Committee staff, on the background and present situation regarding our Laos operations. Blandford promised to inform Chairman Rivers as soon as he was available, possibly not before the first of the week. Slatinshek asked for a breakdown of our financial and logistical support to the Laotian guerrillas, i.e. amount spent for salaries of indigenous personnel, food, clothing, ammunitions, weapons, air support, etc.

6. [redacted] Called at the office of Senator Peter Dominick, 25X1  
who is on the Agency Subcommittee, and in his absence briefly outlined the Laotian situation to Walter Morgan, the Senator's Special Assistant for Armed Services Committee matters.

7. [redacted] Called at the office of Senator Henry Jackson, 25X1  
who is on the Agency Subcommittee, and, due to his unavailability, summarized the Laotian situation for Miss Dorothy Fosdick who handles Agency matters for the Senator and she promised to pass on the information to him.

8. [redacted] During a chance encounter, John Finney, 25X1  
of the New York Times, said public concern over the Laos situation was reaching major proportions and was likely to "force" the publication of the full record of the Symington Subcommittee hearings on this subject. Finney also asked about our hiring of Green Berets, to which I replied that I only know what I read in the papers and didn't believe that.

9. [redacted] Delivered a personal letter from the 25X1  
Director to the office of Representative Jim Wright (D., Texas).
